<u>Realtime Transcript</u> A draft unedited transcript produced by a certified realtime reporter as a byproduct of realtime to be delivered electronically during proceedings or immediately following adjournment.	2.75	1.10	n/a

Transcript in CJA Cases

In multi-defendant cases involving CJA defendants, no more than one transcript should be purchased from the court reporter on behalf of CJA defendants. One of the appointed counsel or the clerk of court should arrange for the duplication, at commercially competitive rates, of enough copies of the transcript for each of the CJA defendants for whom a transcript has been approved. The cost of such duplication will be charged to the CJA appropriation. This policy would not preclude the furnishing of duplication services by the court reporter at the commercially competitive rate.

In order for the public to be aware of the maximum transcript fees to be charged, a schedule of the prescribed fees is to be posted prominently in the Clerk's office." (Report of the Proceedings of the Judicial Conference of the United States, March 1982, page 9.)

Due to the potentially widespread use by parties of diskette copies of transcripts, the Conference approved an increase in the rates allowed for diskette transcripts to make these rates the same as those allowed for paper transcripts....No additional charge is permitted for the cost of the diskette itself....The transcript copy filed with the clerk of court pursuant to 28 U.S.C. § 753(b) must be on paper; diskettes may be sold only if a paper copy is produced, certified, and filed with the clerk of court for the records of the court." (Report of the Proceedings of the Judicial Conference of the United States, September 1991, page 65.)
